1	I like the neighborhood watch initiative with the yard signs.	4/22/2018 9:58 PM
2	A few years ago I would have selected Excellent, but there seems to be a plethora of robberies and general theft. It is not the same safe neighborhood it once was.	4/21/2018 5:21 PM
3	I really like that people post on Nextdoor when something happens. I feel like we are all a little more informed and in contact with each other when bad stuff happens. I feel like the neighborhood association does a good job communicating their efforts as well, such as the signs they post.	4/15/2018 2:19 PM
4	Petty crime is an issue, but always is. Never see police patrols in the area.	4/15/2018 12:42 PM
5	I don't know how to overcome the sense of vulnerability when we do read about crime in the neighborhood. Helping people feel connected gives a sense of comfort and safety net. We have to balance being vigilant with trigger-happy or prejudiced -- it is not easy.	4/15/2018 12:24 PM

## 2018-2019 OPNA Neighborhood Survey

4	<p>Tanglewood PTA is running close to a \$500k annual budget, and they have the benefit of years of spending on capital improvements for things like musical instruments, curriculum, upgraded playground equipment, and classroom technology that FWISD does not provide. We'll have a really nice building, but that's it. Tanglewood declines to share how the money they have on hand will be split up (if at all). We're going to need a massive capital infusion to be "separate but equal" as far as programming goes on day one (and let's be clear - the programming is all that really matters... they're running a first-in-class program out of an overcrowded 60+ year old building). The neighborhood needs to step up in a big way to give financial support, or we're all going to suffer diminished property values as our school falls behind the Tanglewood juggernaut.</p>	4/16/2018 9:12 AM
5	<p>Perhaps something in the fall/winter similar to our 4th of July parade? (Was there a Halloween neighborhood party last year?)</p>	4/15/2018 2:19 PM
6	<p>Hope to see some sort of crosswalk overpass or tunnel or other safety measures that will allow students and pedestrians to cross Hulen to the new elementary school.</p>	4/15/2018 1:19 PM
7	<p>Although I'm pretty good at keeping up with neighbors on my street or close proximity, I feel like I only see a broader set at neighborhood and public meetings that people are drawn to because of possibly contentious reasons. I'd like there to be purely happy reasons to get together. I expect the parade is one of those. Giant events are hard to manage. It's like I wish there were things that let me get to know the people and places of different parts of our neighborhood, so I can build neighborly friendships and a more detailed sense of pride for all of the people and streets in our neighborhood.</p>	4/15/2018 12:24 PM
8	<p>Things are adequate</p>	4/15/2018 10:32 AM
9	<p>I love we have an active neighborhood association.</p>	4/15/2018 10:32 AM

6	Of course it gets caught in cycles of hot-button topics, and there can be clutter, but I'm appreciative that it is here for us and I think the OPNA does a good job keeping people informed through it. It would be nice to find editorial contributors who could post interesting facts and history and pictures about the neighborhood. Old timers could help provide a sense of continuity for the newcomers that they are carrying on something good that has been around a long time and making it better. And new comers could talk about why chose our neighborhood and thus reinvigorate the old timers.	4/15/2018 12:24 PM

1	We lack neighbor to neighbor activities. The neighborhood needs to seem more like a friendly neighborhood rather than a group of houses where people don't get an opportunity to get to know one another. Seems the neighborhood association doesn't promote neighborhood activities where neighbors can get to know one another. What happened the wine tasting events?	4/22/2018 6:52 PM

3	Thank you for taking the time to conduct the survey. It's a great neighborhood. PLEASE PLEASE leave the park as is...no more "improvements" other than what is there now. The beauty of our neighborhood is the natural beauty of our park. Please don't improve it and as a result, lose what we have. Also, the memorial benches are nice, but it's getting to the point of saturation and consequently, taking away from the uniqueness of this neighborhood oasis.	4/21/2018 5:21 PM

6	Take away business ads on the neighborhood web site.	4/20/2018 11:26 AM
7	Now that the new school boundary has been drawn, we should consider annexing the houses currently in the Tanglewood Neighborhood Association that are zoned for the new school.	4/20/2018 8:05 AM

10	I think the OPNA board does an excellent voluntary job of helping to make our neighborhood a great place to live, and I appreciate their time and effort. They do not get enough recognition for their efforts.	4/16/2018 2:01 PM
11	It is surely time consuming to compile the OPNA magazine which is mailed to all of us and it's very kind of you to take this task seriously but the few pages of content vs volume of ads makes this use of paper terribly wasteful and I believe it should be stopped.	4/15/2018 7:57 PM
12	Development of the original Edwards Ranch property on Hulen and Bellaire will be important to the look/feel of the neighborhood. Would be great to have more visibility/open communication into any future plans for this property.	4/15/2018 5:15 PM
